QUALIFICATIONS

Mr. Douglas has accumulated over forty years of experience in the construction industry. Since starting with The Douglas Company in 1981, he is extensively involved in all aspects of The Douglas Company, including project design, estimating, and project management. Mr. Douglas was successfully in charge of the company's Florida Division office for five years and was responsible for all projects completed at that location from 1985 to 1990. He then returned to the Toledo Office and became President.

Mr. Douglas assumes an active role with each estimate prepared and closely monitors the progression of every project. He is also an integral part of The Douglas Company's extensive Process Training and Quality Assurance programs and is responsible for establishing company goals and policies, maintaining relationships with clients, and overseeing all corporate administrative functions.

During Mr. Douglas' sole ownership beginning in 2000, the company has grown 234%, and in 2007, 2009, 2013, 2014, 2015, 2016, and 2017 was included in Inc. Magazine's list of fastest-growing companies, also being named in the top 100 of the fastest-growing construction firms.

President, responsible for overall corporate direction, client relationships, project design, estimating and project management.
