Mr. Peter Douglas,

I am writing to express my appreciation for the opportunity to work with The Douglas Company. Sage Real Estate Development engaged The Douglas Company as the General Contractor to manage the construction of Brooklyn Pointe, our newest assisted living and memory care community located in Brooklyn, Ohio.

The team's attention to detail and open communications with the architect, my team and the Meridian project team insured that any potential issues were addressed and corrected with ease. Their ability to complete the project on-time and within budget, not only shows exceptional project management but also speaks highly of the integrity of The Douglas Company. We thoroughly enjoyed working with your staff throughout the entire project.

The Douglas Company provided us an exceptional experience for our first opportunity in working with them. From preconstruction through project completion it has been very easy to work with all members of The Douglas Company team. We truly appreciate their efforts and professionalism.

I enthusiastically want to give The Douglas Company, the project team, and the many sub-contractors an enormous thank you for a job well done. It is without reservation that I give The Douglas Company my highest recommendation and look forward to working with this outstanding company again in the future.

Sincerely,

Stephen Nicholas
